TRY EATING THE THAI WAY

A real THAI MEAL is a harmonious mix of FOUR FLAVOURS "Hot-Sweet-Sour & Salt".
These flavours will BALANCE AND COMPLETE each other to satisfy your senses for looks, taste and fragrance.
ALL dishes are served AT ONCE to achieve the RIGHT BALANCE. Apart from the rice, a real thai meal contains a soup, a curry dish, a salad, something steamed, something fried and our choise of spices and dips. Do order DIFFERENT DISHES and taste from each other.
